

## Food Waste Composting

*Minimize your environmental impact and increase your leadership with Unlimited Recycling!*

Composting food wastes from restaurants, cafeterias and commercial food/organic material operations is a great way to reduce methane generation from landfills, lower your carbon footprint, achieve your corporate sustainability goals and improve your positive public leadership.

**Unlimited Recycling, Inc.** can provide your company or institution with our aggressive, proactive **Food Waste Composting Program** to include the pickup and composting of all food and other compostable wastes generated at your facility.

### Features & Benefits:

- Timely, professional collection.
- Fruits, vegetables, dairy products, grains, bread, unbleached paper napkins, coffee filters, eggshells, meats and newspaper can be composted. If it can be eaten or grown in a field or garden, it can be composted!
- Items that cannot be composted include plastics, grease, glass, and metals — including plastic utensils, condiment packages, plastic wrap, plastic bags, foil, silverware, drinking straws, bottles, polystyrene or chemicals.
- Waste composted at state certified/approved facilities.
- Documentation provided to certify composting.
- 64 Gallon Carts provided for central collection of food wastes simplifies collection.
- Complete training and educational materials for management, housekeeping and employees

minimizes your headaches implementing and maintaining program.

**Unlimited Recycling, Inc.** is a minority woman-owned small business enterprise founded in 1999 by Maria A. Marin and is MDOT, MBE, DBE and WOB certified. As a contractor for many leading governmental, industrial, institutional and commercial facilities, we have received excellent performance ratings. We can do the same for you!

- Single source solution for the recycling of paper, plastic, organics, metal, wood, electronics, fluorescent bulbs & universal wastes, destruction of confidential materials and the sanitary disposal of wastes.
- Unmatched service capabilities including Roll-Off, Front Load, Semi-Tractor, Box Truck and Onsite Shredding.
- Complete Employee Training and Program Management that handles all phases of launching and managing your program.
